## Code of Conduct

As a condition of participation I agree to strive to uphold the 5 tenets of Volta Grand Prix (VGP):

1. **Respect other drivers**
2. **Learn from mistakes**
3. **Don't be an ass**
4. **No whining**
5. **Have fun**

### On Track

I will not repeatedly or intentionally make contact with barriers or other karts, block other drivers, speed in the pits or otherwise drive recklessly. I understand that pushing or bumping another kart to go by is not a clean pass, and I will do my best not to make contact with other karts and to race as if the karts had no bumpers or wheel guards.

### Off Track

I will conduct myself in a manner consistent with **good sportsmanship**. I will not whine, yell or verbally abuse anyone. If I start a fight I will be suspended and/or banned from future VGP competition.

If I have an issue or question, I should bring it to the attention of the organizer or a steward. I will only approach officials if calm enough to rationally discuss an issue.

I affirm I have read, understand and agree to abide by the VGP rules and Code of Conduct in order to participate in VGP events and races.
