Notes: Event took place on SPK short course due to heavy rain throughout duration of event; Karts assigned randomly by SPK staff. Some drivers disqualified due to receiving two blackflags in a session. The first blackflag for each session resulted in a stop-and-go-penalty.

Race 1: Walid Norris did not record a time due to kart timing system problem.

Race 2: Tahseen Ibrahim did not compete in Race 1 and so did not set a qualifying time.

Race 3: John Shim and Michael Wu had fast lap times below minimum set in timing system (40 sec) for long course layout. Shim assumed on pole since he had more such laps. Jordan Wallace had to leave; Chris Hebert did not compete in Race 2 and so did not set a qualifying time.
